

Graduate Certificate in Water, Sanitation, and Hygiene

Provisional Approval Form for Non-Designated WASH-Related Classes

WASH certificate-seeking students who would like to use a non-listed, WASH-related class towards the certificate requirements must apply for provisional approval from Dr. Joanne McGriff, the CGSW Associate Director. Without this provisional approval, there is no guarantee that the intended class will fulfill the certificate requirement.

Today's Date: _____

Name: _____ Email: _____

Student ID: _____

Your Dept.: BIOS BSHE EH EPI HPM GH GEH GLEPI Other _____

Expected Graduation Date (Month/Year): _____

Name of Proposed Non-Listed WASH Course: _____

Official Course Catalog Description (e.g. BIOS 123): _____

Course Instructor: _____

Course Term/Year: Fall _____ Spring _____

Course Instructor Signature: _____

(By signing above, the course instructor certifies that they have agreed to incorporate WASH elements in the course content and/or independent student class or final project to satisfy the provisions of the WASH certificate training program as indicated here: <http://www.cgswash.org/for-students/wash-certificate/>)

Please include the following in your application:

- A brief description (200 words or less) describing the class in question and its relation to WASH.
- A syllabus for the intended class.
- A list of the WASH classes you have taken as well as those you plan to take.
- Any correspondence you have had with the WASH certificate coordinator, Mia Gallegos.

Forms should be placed in the mailbox of Dr. Joanne McGriff (6th floor, Claudia Nance Rollins building). Please send Dr. McGriff an e-mail letting her know you have dropped off your form and are waiting for her feedback: joanne.a.mcgriff@emory.edu.
