

Global Practicum Opportunity Form

Learn more about Emory's Global Field Experience, a fund that students can apply for to cover travel costs [here](#). More information on hosting a student is [here](#).

Please e-mail this completed form **as soon as possible (ideally before Oct 31st)** and send it back to Dr. Matthew Freeman (matthew.freeman@emory.edu) & Dr. Joanne McGriff: (joanne.a.mcgriff@emory.edu)

1. Contact (person who will review applications)
 - a. Name of organization: Makerere University School of Public Health
 - b. Contact Name: Dr. Richard Mugambe
 - c. Contact Email: rmugambe@musph.ac.ug
 - d. Contact Phone: +256789477677

2. Project description
 - a. Project Name: ASSESSMENT OF STATUS OF WASH IN HEALTH CARE FACILITIES IN THE GREATER KAMPALA METROPOLITAN AREA.

 - b. Project Description:

This project is a partnership between Wateraid, Ministry of Health, KCCA, Ministry of Water and Environment, Makerere University School of Public Health and Emory University.

The general objective of the study is to assess the WASH status, associated factors and management systems for WASH sustainability in HCFs in Kampala and Metropolitan areas.

The specific objectives of the project include:

1. To establish the status of WASH (water supply and quality, sanitation, hygiene, waste management and cleaning routines) in HCFs.
2. To assess the WASH practices and behaviours for both health practitioners and clients in HCFs
3. To assess factors associated with status of WASH in HCF
4. To assess management systems for WASH sustainability in HCFs (policies, guidelines, budgets/budget gaps, HR/responsibilities, structures, plans).
5. Recommend appropriate models (management and service delivery) for WASH sustainability in HCFs

- c. Project Location/Country: Kampala, Mukono and Wakiso districts.
3. Student engagement
 - a. Describe student role in the project: The students' role will be to focus on objectives 2 and 4.
 - b. Expected deliverables: A report
 - c. Specific skill requirements (qualitative, survey design, including language): Qualitative (Key informant interviews, observations)
 - d. Is the Project paid or unpaid? Is there any in-kind support (e.g., housing)? Unpaid. Transport to the healthcare facilities will be provided
 - e. Timeline (students are typically available to travel to the site between May and August, but can work with the team both before and after this work): May – August 2018.
4. What should students submit when applying (CV, cover letter)?
 - a. By when should students apply? April – May 2018
5. Emory University faculty contact (if any): Mr. Habib Yakub.
