

## Graduate Certificate in Water, Sanitation, and Hygiene

**\*SECOND YEAR STUDENTS ONLY\***

### Declaration Form

This certificate is offered by the Rollins School of Public Health. Completion of the certificate requirements will be verified as follows:

- You have completed required WASH-related coursework, including one methods-related course and one biology-related course.
- You have completed a WASH-related practicum **AND** are in the process of completing a WASH-related capstone/thesis. Please include titles of practicums and draft titles of theses/capstones below.
- You will attend your Verification/Exit Interview where Dr. McGriff will review your transcripts to verify a cumulative GPA of 3.3 or greater for all WASH courses and ensure that you have completed the minimum credit hours for WASH-related coursework. Seminar attendance will also be discussed during your exit interview.

***The deadline for this form is January 15, 2020***

Name: \_\_\_\_\_ Today's Date \_\_\_\_\_

Email: \_\_\_\_\_ Student ID: \_\_\_\_\_

Department:      BIOS      BSHE      EH      EPI      HPM      GH      GEH      GLEPI

Other: \_\_\_\_\_

Expected graduation date (month / year): \_\_\_\_\_

Is your practicum WASH related?      Yes       No       Unsure\*

Is your capstone/thesis WASH related?      Yes       No       Unsure\*

Practicum/GFE title: \_\_\_\_\_

Faculty advisor for the WASH-related practicum/GFE\*\*: \_\_\_\_\_

Agency/Organization (Practicum) \_\_\_\_\_ In-country supervisor \_\_\_\_\_
